FEATURES:

- **The new Signum from Sartorius** is a compact industrial scale that offers exceptional performance features and is very easy to operate. Flexible and ergonomic thanks to adaptable mounting options of the control unit in a slim-line design.

- **Application Level 3 –** 17 keys, 14 segment display, Applications include Counting, Weighing in Percent, Animal Weighing, Checkweighing,Classification, Totalizing, Net-Total Formulation; 100 product memories, 4 configurable ID fields, combine 3 applications.

- **IP65 Protection Rating**
  The IP 65 protection rating means the scale is dust-tight and with low-pressure water jet protection. This feature makes these scales suitable for use in some of the harshest industrial environments.

- **Optional Additional Interfaces**
  Ethernet TCP/IP
  RS232/422/485
  Profibus-DP
  Analog: 4-20mA, 0-20mA, 0-10V 16 Bit
  Digital I/O: 5 in-5 out Opto 130

- **RS232 Data Interface**
  The SIWADCP-V4 scales come with a bi-directional interface, which allows for simple connection to a printer or computer for easy data acquisition and automation capabilities. 25-pin D-sub female connector
